

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Robert Dennis

I'm a novice artist that loves his Lord Jesus Christ.

I hope my art can put a smile on everyones face
and help you all see the Son of God through my
eyes.

This is my first year with PCAP and I plan to practice
on my art skills and enter better pieces of art next year.
AS for now I can't afford good art supplies so I used
what I had available, Prang colored pencils and a piece of
copy paper. I was given a piece of card stock to make
the frame.

Jesus forever is a piece of art that lets you see the
old & new testament Jesus. From the rock in the wilderness to
the burning bush, from the death to the resurrection, from Law to
grace. All due from sin entering the world. God Bless
