

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: I draw like I would Tattoo

I've done a lot of time in Florida all we get is pen & pencil, so I've taught myself how to draw with limited tools. I see stuff and combine it with other's and make them mine. ~~They~~ people ask me to create tattoos, some of kinds. And I can do some good cover ups. When I draw my mind goes blank and I leave those prison walls.

I use to draw for my Mom, but she passed from cancer in 2011. So now I draw for the art show cause I've no one left to do so for.

So I hope you like them. I enjoyed doing them.
