

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Jimmy Sidick "ASTRO"

Life has a crazy way of working things out, given many opportunities to be successful and choosing the latter. I attended the College for Creative Studies in Detroit from 2002-2004 but dropped out due to family illness. I strayed from my Art work as a career and pursued it as a hobby. They say Live Life to the fullest without regrets, and all I wish was that I used that advice. Through a series of bad choices and wrong turns I ended up in Prison and found my way back to my art. I use my Art as an escape route (mentally) and a way to make a little money. And through my Art I can see the happiness that it brings others that I have done work for.
