Life has its ups and downs, smiles and frowns.

However though, no one seems to understand a person unless they learn about that person.

Letting down our walls to being vulnerable is one of the things we hold dear to us.

So how do you learn about a person without invading their personal space?... Well, you just read and watch from a distance then soon will you be able to understand that person deeper!..

The ~~moon~~<sup>SUN</sup> is a big support for the moons. shine, so find the SUN in your life and become a moon!.. 🤔

My circumstances does not define me but it is refining me! The enemy would not be testing me if GOD was not about to BLESS me!.
