

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Tou Lor

This year I wanted to challenged myself. That's how I came up with the idea of "helping hands"... and this puppet... I enjoy making them... especially the puppet... It brings me back to my Childhood... for me, the importance of art is whether it makes me happy. Making it or viewing it... so I hope who ever buys this enjoys it as much as I enjoy making it... also in "helping hands" I wanted to send the message that... if you see someone that's down don't put them down even more. Give them a helping hand...
