

Artist Statement 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Frank Mitchell

The man who creates a thing instead of  
destroying it holds on to the better part  
of himself.

If he holds on long enough maybe he  
can find a way back.

Not to Freedom, or Redemption or Forgiveness  
but maybe to who he could've been.

Men can become more than their transgression.

Thank You to all the P.C.A.P  
supporters For showing that.

Please edit your Artist Statement to the space provided.
