

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Jan Rummelt

Art is my way of finding freedom from this place. This place is so dark at times that I sometimes need an escape from the darkness and I find my light in drawing and painting.

PCAP is my only outlet I have to get my artwork out to the free world, so people like you can see it. I wish I had another way to get my work out there. I enjoy showing off what I can do. 

Thank ~~you~~ you for your time  
Please ENJOY!
