

**Dragon's Rose**

538-20

*Santa's Head*

I don't really consider myself as an artist. I love to draw, but I feel as if I don't have any real talent. When I started some of these pieces, I didn't think they were good enough for the Art show. I was encouraged by my peers, to give it a try. To see what other people think of my artwork. We are our biggest critics you know. Hope you enjoy my artwork.
