Good Friends, Beautifully Broken

Hi and Welcome to my imagination, the ART World of creating is my escape from where I am confined. I put all of my heart, soul energy into my artwork. I hope you like what I created and thank you for supporting me by purchasing my artwork, it really means the world to me! 😊 I hope to be involved with PCAP when I come home and I can pay it forward to the extended PCAP family. Ashley Lucas has changed my life forever, thanks Ash! 😊 Enjoy the show and I'd love to hear comments about my artwork, leave a message in guest book, Take Care
