

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: John Phillips

Hellow well I made it to the ripe old age of 60 and I'm still a kid at heart. I have always daydreamed about Dragons and what they could look like. I could alway do needle point work I just never thought to sit still & do it! It took 7 days, 8 to 10 hours a day to do this piece. As to "the void" it was a happy occedent. I had glued the card board to a pice of masonite years ago & for what ever reason I ripped it off this year. The card board had a weird pattern of glue left on it so I painted it. Bloodred where the glue was, black where it was not & blue lighting just because it looked cool.
