

**Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners**

Artist Name: Lori Tou

I recently started to paint with acrylics. I never knew that painting could be as enjoyable and amazing as it is, and that there are so many techniques that can be achieved with a paint brush. Before I learned to paint I learned how to Crochet and it was a lot of fun watching project grow from a single strand of yarn. But I wanted to test myself to see what ~~is~~ else I could achieve artistically in different mediums.
