

Artist Name: Sybil Padgett

It's called "Omnipresence" - This artistic creation presents - a substantial portion of God's creational gifts, a consistent pattern runs throughout from start to ending - Creating a sense of unity - extending God's presence throughout the earth. Whether one is in prison or outside prison, we all have a basic necessity to be with love, deserving or not.

Thanks PCAP folks, to let us remember, always and forever, that we all matter. 2025-
