

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: DUNN 621

Still life and graphic short stories are my comfort zone. Colored pencil & graphite are my first tools. I have been drawing almost a year and have had a few mentors both in prison and out.

I hope my work brings joy and I hope to build on what I've learned this year into the next.

Thank you PCAP for allowing this platform to share my art journey with others.
