

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Julie Cain

The Cards are made to share our hearts.  
My heart, to your heart, to the heart it's sent  
to.

So often in this world we're asked how we  
are. Instinct seems to have us answer, good, fine,  
alright, okay. It's okay to share when we're not  
okay. Life is hard. We will need to lean on a  
friend. It's okay to not be okay.
