Artist Name: Ice CREAM.

Well about me. Whew there's A lot lol I actually just started Drawing seriously this year. The reason I Draw is because it soothes my restless spirit. I have 15 yrs in Prison. I've been Down for 7 yrs and Its been Rough. I've lost a lot! So I hold in all the pain & Sorrow. so Drawing, writing Poems, and writing Books are my emotional outlets. This Drawing I have presented to you is Called (Protecting My Dreams in a wild environment) its Not my Best But there's A lot of my heart in this piece I hope you enjoy. Contact me via if you would like to know more about me and to see more work.
