

Artist Name: WADE EADES

I do almost all my art in plain old pencil due to not beins able to afford paints, glues, chalks, etc! I'm only allowed \$50 a month! I started drawings a little over 3yrs ago when I got incarcerated. So not long at all! I'm the biggest criticizer of my work. I don't think its that good at all. But I hope someone enjoys it. Thank you for your time looking at my art!
