

Artist Name: Summa Savage ♥

I am an art lover, my favorites are poetry, painting, and drawing. Combined into all my pieces are both of my favorites. I am not only an inmate, or just an artist, I am a mother, a survivor of sexual assault, domestic violence, and a recovering addict. All of my portray these things differently. All of my struggles have made me who I am today and I would not have it any other way. Being in prison and having to really look into myself and start to heal has been amazing. Many of the other woman here have done the same and prison is where success and healing start.

**NO PRISONER IS ALONE!** We all do want to apologize to our children & families; we all want to understand our purpose. One thing for sure is Art is my best and most beautiful way to describe everything. Coming together with other's in this exhibit is so very rewarding and encouraging for me. Thank you.
