

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Jerry Wooster

I am from a small town in Southwest
Michigan called Sturgis. We are known for
making UPS trucks and baby formula. I'm
divorced and the father of 4 beautiful kids!

I love to crochet to both pass time
and create works of art. The colors chosen
in all of my work are done at random. I
work from my heart.
