

Artist Statement

My name is Vincent Soto. I've been drawing for 28 years. My main focus is on the human figure, however, I'm a jack of all trades, master of none. I've been in the PCAP art show for 10 years. This year I've done something outside my wheelhouse. I chose to use a medium I've yet to use, markers.

I must say the picture turned out better than I hoped it would. The idea came from watching a cooking show. A Halloween baking show. The piece titled "Familiar", although kind of dark, is really colorful. I want to finish this by thanking the PCAP crew for giving all us artists an outlet for our creativity.
