Artist Statement — 30<sup>th</sup> Annual Exhibition of Artists in Michigan Prisons

Artist Name: RAYSKI

I hope you enjoy the crafts I've submitted this year. I make them for various reasons, I enjoy the challenge & to escape daily prison life. As a Carpenter by trade, I used to craft most things outta different types of Craft Sticks but not only are they getting more expensive, they're also getting harder to obtain cuz of limited vendors & items being discontinued by the manufacturers. So the things I used to make out of wood, I'm now attempting to make out of Typing Paper & Tissue Paper tubes.

I thank you all for your support.
