Artist Name: Jeremiah Nelson

First I want to Thank All of the people who come together to make this happen year after year.

I am submitting two piece's this year One called "Serene". (I used to make cards now I found ways to put things onto mirrors And enjoy doing that so much more than cards.) It takes a lot of time and patience to do but thats what art consist of Time + patience.

Other one called "Fairy dust" is another idea I had for a mirror project And I believe both turned out Amazing.

I hope you all enjoy the gallery!

Thank you From us All.
