

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Don Jay the visionary

One of my goals in life is to entertain
peoples and make them love and feel good about
themselves.

laughter is entertainment goes along ways, if
I could make one person laugh or feel good about
themselves then job well done.

I drew the picture of the little girl to show off
her true innocence. The girl blinking her eye
I want to captivate her true beauty.
