Doing Time

IN PRISON where there isn't much room to move around you sometimes feel like the walls are closing in on you. But all you have to remember is time never stops and you can always make changes in your life. I look around at the messages on the walls. Hard time, This guy was here, That guy was here, The hash marks counting the days, The message from our father in heaven saying "I" can have eternal life. So I think to myself, I'm just Doing Time.
