

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Daniel P. Turrentine #294569

Art has been the longest lasting constant in my life. Over the years my styles & mediums have been as vastly different as my life's choices, beliefs, & experiences were. What's emerging now, after years of self introspection, are my most honest works to date. Without P.C.A.P. this wouldn't have occurred. For their on going efforts, & impact on all of our lives, I am, & will continue to be, eternally grateful.
