

**Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners**

Artist Name: Michael Dean

200 too: Is my reflection on how life is in  
prison. Every one is an animal of some sort.

Doesn't matter if you a mouse to a man.  
we all are something.

And my Birds, because they are so care free.  
they have no worries what so ever, just spend there  
days flying around eating what ever they find.
