

**Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners**

Artist Name: Danzell Steele

To be honest I've just picked up this hobby over the last 6 months. My inspiration comes from my desire to become a construction worker. I have always wanted to build things like houses and buildings. I hope to expand my knowledge in this field because I plan on pursuing this after I'm paroled. Thanks for viewing my art work and there will be more to come soon.
