

Artist Name: Jeremy Clay

I have thought and thought about what statement to write, but the only statement I could think of was one that was all about me, but God showed me that this art is not about me but the One who saved me from being the predator, monster that I was.

On June 3, 2018 after going to church for 3 weeks I thought I had been found unworthy and not chosen by God because I did not feel or think any different. Therefore I was going to quit going to church, but YAHWEH knew I hated who I was and hated the things I had done and by His grace He snatched me up. That morning on June 3 He inspired a man who wasn't even going to go to church anymore to ask JESUS to be his Savior.

I am no longer that predator, monster I used to be, God gave me a new heart, mind, and spirit. Now I live my life for Him, hoping to get everyone to TRY JESUS, there is no other Way, He is the Way. If you don't like who you are and don't want to be the way you are anymore, TRY JESUS and follow Him and His ways, and then you will love who you are!
