PCAP Miniatures 2021 Exhibit

Artist Name: Robert Fitzner

I understand the challenges this year with COVID, and I wanted to show my support for this awesome exhibit. I had a lot of fun with the "Mini" concept, and tried to do something with a more human element: PTSD, Domestic violence, mental illness etc. "Trapped" is about the troubled, institutionalized mind. "Photograph" is a depiction of vanity, specifically the social pressures of media and image. "Battlefield" highlights PTSD associated with domestic abuse. Sorry so short, but when it comes down to it, it's all about what you take away from it.
