#1 TITLE: TEARS ON NATURE'S PEDDLES"

With all the turmoil and hardship going on around the world, I am exceptionally sadden when I hear about little children suffering and dying in these man-made conflicts.

So I'm submitting a 18"x24" acrylic painting of a Sunflower with a deep metaphoric meaning. Cloaking the majority of it in dark shadow, is ment to represent the lost sense of humanity our global society is currently in.

The liquid drops fallen on the peddles of the Sun Flower are the infinite innocent tears, shed by so many small children who had to be born in this nightmare of war, neglect and unimaginable fear.

Yet the illuminating morning sun on the other side of the Sunflower is the glorious promises of our Creator Jehovah God and his Son Jesus Christ to heal our suffering global family and give us an eternal future that we all can enjoy. Tear of sorrow will be transformed into Tears of joy.

{ Revelation 21:4 "And He will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."
