

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Daniel TERIBERY

As I continue to be an artist
I look back to where it all started
and no matter what I create it
always feels the same as I paint
or draw. The sense of peace and
comfort. And when the piece is
done I just can't stop ~~stop~~
looking at it. And every piece
I create is hard to let
go. Being an artist has really
changed my life and gave me
a sense of purpose to be able to
express myself and it also has
taught me to be selfless as
well. (enjoy the show)
