

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Mark Bailey

I began making greeting cards in prison ~~in~~ in 1996, as a means to support myself. Though it has been a long, slow process I am finally to a point where I feel like I know what I'm doing. Last year I even took on an apprentice, Marvin Lamar. For as many years as I can continue, I hope to get better, learn more about art, and ~~remain~~ spend my time in prison constructively.
