I created this piece as a reminder that we are connected to the Earth, which nurtures and feeds us all, which we have forgotten and forsaken. Destroying the very beauty that is her, not realizing if you destroy her, you destroy yourself. I encourage everyone to become one with Madre, the one that has breast fed all nations and people... and all life. ~~Birth~~ Birthing continually, until you stop caring. About Life. ~~and~~
 "Find your Roots, Remember your Roots"
