Humming Bird, Richie Valens Flying Guitar

When I was a boy, I stole and lied,
When I was arrested I didn't shed a
tear, but my momma broke down and
cried.

When I came to prison I hardend my heart,
my views then, resulted in action which
tore my family apart.

When I became older my eyes opened
up and I seen the actions I took and didn't
like the way I looked....

When I thought back I had to face my own
truths, it was then I began to make choices
to change my life. I picked up a pen
and began a new life start, and it is
hear I fell in love with this form of
art, and "this is my life now straight from my
Heart."
