

Artist Name: Ghost One

my name is Randall but I create under the name Ghost One. Tattooing has been my main catalyst as an artist but I've been drawing since I was a small child. This year I am submitting all acrylic paintings. While I admit I know nothing about painting or the rules of painting, I did find a lot of enjoyment in creating my own rules and time after time, breaking them in my attempt to produce a few pieces — that hopefully cause someone to become even a little excited about.

Bright Eyes on an owl = smart choices and a bright future.

And if Al Capone were alive would America be as great now as it was back then...

Thank you for the privilege of sharing my art.
