

Artist Name: Lorinzo Ervin

~~I am starting for the first~~

I am a first time participant in PCAP and this is the first time I've done art since grade school. I decided to get back into art because I saw an opportunity to do so while I'm incarcerated and to get back in touch with my creativeness. I have decided to start off with these peices because these are mental escapes when I'm ~~being~~ feeling overwhelmed while incarcerated. I hope others who look at my pieces will get the same effect.

1. Merry Berries
2. Mountains of peace
3. Tree of Tranquility
4. Ocean of Solitude.
