

Artist Name: Shane Neeley (JAWZ)

Art has been a New Great way for me to Express my self other than poetry. Also When Im in The moment of putting the brush to the Canvas, Its like I escape my reality. As if Im watching a Movie, or Reading a Book. It keeps me busy and out of trouble. Im so Thankfull to have this New output. And Now that Im in college, Its difficult for me to find time, but Ill paint rather than watch T.V. To Me Art has become a Spirtual Journey. I Like Jackson Pol

Next year I cant wait to see where Im at with my talent. being That I just Started Creating Art 8 months ago.

Thank you for your time, Aho
