

Artist Statement 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Gregory Carlos Boswell

I create art because I simply love to create no matter
what it is, and to keep my name alive well after I am
gone. I'm hoping my work becomes valuable while I'm
living so I can provide for my only child Giovanni instead of some
smug asshole inflating the value of my hard work beca-
use I'm not around to create anymore and he and others
profit instead of my child benefitting. Every piece I enter-
ed is tattoo ready for any tattoo artist that might atten-
nd this event. My goal is to get my name out there to the
point where people contact me for custom art pieces, I am
open to requests for custom art -thank you! my final
statement is "I hope the truth is told and I am freed from
my false imprisonment look at the details" -Gregory Carlos
Boswell enjoy and thank you for fucking with me love all.
