

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: William Riggs

I don't like anything. Art is stupid.

I scribble until shapes appear.

No thought

No effort

I see all thought as disease.

I don't like anything. Art should be stupid.

There is nothing to understand,

there is no choice.

No hopes.

No Process.

I don't like anything. Art is stupid.
