

Artist Name: Don Adams

Over this past year I haven't been up to doing alot of Drawing, I've been battling Cancer Type III and Type IV and I had a heart attack about 2 1/2 months ago. So please forgive the choices I've chosen to enter. I thought they were my best work this year. Hopefully I'll be here next year to participate and do better.

To know people like you care enough to come out and see what we prisoners do means alot to us, Or at least to me. I truly appreciate everyone of you. If I'm not here or able to participate next year, Remember me in spirit and Thank you All!!

Blessed Be!

Sincerely
