But lost in most...

Greatness, in the eyes of so many, ~~lost in most~~

we mean, we open. we struggle. we inspire. we float about
aimlessly in our ~~multifaceted~~ multifaceted universe under ~~the~~ the
God's watchful eyes, not ~~recognizing~~ recognizing the Greatness that
lies dormant in us, in so many or ~~the~~ sympathizing for the
untapped potential ~~in the~~ lost ~~in most~~ in most...

Be great. mean it. Be Open. It's okay to struggle,
to hurt. Inspire. And float with purpose, ~~as~~ recognizing
you're a divine part of the Divine whole. Be whole...
