Artist Name: MARTE'NEZ SR.

KING'S GAMBIT

Even from behind bars, a King must do what he is able, in order that his Prince
is fully equipped with the proper tools to maneuver the obstacles one may encounter
in his lifetime... It is a beautiful day when the Son actually absorbs and applies
the jewels that were bestowed upon him!!!

WORK!!!

All the blood, and sweat. The tears, and dedication required to reach the things
you want in life finally pays off... It's the only way to achieve your goals!!!
