

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Danzell Steele

So what kind of Artist Am I? That's a good question! I consider myself to be an all around artist, but I tend to lean more towards building. I enjoy just letting my mind lead me to different creations. Like I done today, building is a huge stress reliever for me. It's very therapeutic! my Alaskan Frontier home is inspired by its name. I love that show. I hope you all enjoy my cabin and I truly appreciate you for viewing my Art and everything you guys do for us. Thanks! I hope you enjoy my Alaskan Frontier cabin/home.
