

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: "SANLURAI OMEGA"

I am overjoyed to be participating in The PCAP 21/22 Art show again! This horrible pandemic, plus the death of my third child. Almost made me lose heart to express myself artistically. However, my fellow prisoners who are also involved in the PCAP programs? Really inspired me and motivated me to continue to explore myself thru art and writing! I am involved in the 2021 PCAP writer's workshop. All these PCAP programs? Are a wonderful and fully appreciated outlet! Thanks!
