

**Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners**

Artist Name: Chris Stark

This artwork is Pure Prison art! I use NO +Picks, Bells or whistles in creating these drawings. IT'S done with nothing but a cheap Ball Point Pen and a few color Pencils. They've taken just about everything from us so I use what I have at hand. Enjoy! Please excuse my spelling and penmanship as I am poorly educated.

Thank you
