lame: Dacrel Roberts
Luse art as a type of meditation, a Balance in Life.
I make art Not Just For People Who Can already but for
Inspiration to Some one Looking at Art for the First time and
Wanting to Draw, Paint, etc.
Myou recommend the foresteep of for it. It is not one where to start, or write better.
Prompts
What information about yourself, as an artist of its in person, would you to share?
What details would you like to chare about the pioces you are submitting? Within was the process of cruating the arowork like for you?
wify did you choose a certain style? What do you have althen will understand from toylong at your pinds.
