

Artist Statement — 30th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Karah Shepherd

I choose to make art because it's something I enjoy doing. It is also something I did with my dad and baby brother growing up. So I continue to draw for them and brings up amazing memories I shared with them before they both passed away.

I am representing my favorite sports teams. I maybe from Michigan but I'm a die hard Green Bay Packers ever since I've been 3 yrs old. I also represent the Detroit Tigers and Pistons.
