

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Mr. Earl Rodgers

I enjoy drawing, it's been a few year's since I've set down & draw anything. This is my first time ever drawing a picture with just Acrylic & I love how it turned out. I love animals & nature. I feel beauty is seeing something & not being able to stop looking at it.

I did my best in playing with color within the piece, & I hope other's see & appreciate the hard work I put into it.

Thanks for the opportunity to be apart of P-CAP again!
