333-20

Timekeeper

My artistic Background really started ~~and~~ once I came to prison. Before then I would just do little sketches ~~sketches~~ sketches while I was bored at school. I found drawing to be really relaxing, it has taught me more about patience and that once you put your mind to it anything is possible. I create because it gives me a sense of pride in something that I did. I am inspired by the artists around me and choose to inspire others as well.
