

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Federico

It is such a blessing to be able to participate in the PCAP art exhibit again. COVID messed a lot of things up, but we made it through the storm together by God's grace. I gained some valuable insight during my struggle through COVID. One key insight is the value of a healthy community. We are people through other people; therefore, we need each other in order to flourish in life. Through PCAP, we are connected to a larger community where we flourish as creators and cultivators by celebrating and nurturing our creativity. I am so grateful to participate in this exhibit and to be part of a thriving community of creators and cultivators. I hope you enjoy my contributions.

Sincerely,
