

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: ANTHONY WAYNE SPRAGGINS, Sr. aka SAMURAI OMEGA-META.
(OR THE MUSCODA META TIGER! lol)

I draw and color as therapy to manage stress $\frac{3}{1}$
micro-aggression during the daily grind of my
serving time. Well, the pieces I've chosen to share
this year. Are attempts to stretch myself artistically!
I used to draw nothing but MYSELF! My own
face specifically. Now, I try some of everything!
My process is simply practice, I take my muse
from my surroundings or my head or heart! OHH!
I'm limited in my materials, so my color palette
is chosen very carefully! (lol) I want others to
sense my humour. My pain, or feel the
moments I was amused by a thing! I want
them to 'SEE' ME in what I love to do and
know joy in Art that I like to share.
